Code: LC-221
GOLCHI
Material : Copper, Stainless Steel

Water stored in copperware is the boon of life. Purified, it helps to regulate digestion and cardiac orders-the basis of good health. Our scriptures also recommend the drinking of four glasses of water stored overnight in a copper utensil every morning.

The disease-causing bacteria cannot survive for more than a few hours on copper surfaces.
Institute of Micro Biology & Research U. K.

Sages of yore had used the copper metal to offer their prayers to God. Even today, the authenticity of copper has the same significance for any sacred rituals.

La Coppera's range of Pooja articles is created to embrace the ambience of worship with divinity and so to make the oblations auspicious.
